THEODORE DAVIE,

To the Honourable Sir MATTHEW BAILLIE BEGIE, Knight, Chief Justice of British Columbia, and the Honourable GEORGE WHELOCK BURBIDGE, Judge of the Exchequer Court of Canada, Greeting:

It having been resolved amongst the proceedings of the Legislative Assembly of the Province of British Columbia at its last Session:

“That whereas, acting under the advice of the Executive Council, His Honour the Lieutenant-Governor has been pleased to give a Provincial guarantee of interest upon the bonds of the Nakusp and Slocan Railway Company to the extent of 4 per cent. per annum on \$25,000 per mile for twenty-five years, and by the like advice has, in the agreement for the guarantee of interest, reserved the right to substitute bonds guaranteeing principal at the rate of \$17,500 per mile, together with interest at a rate per annum sufficient to enable the Company to realize par, but in no case to exceed 4 per cent. per annum;

“And whereas, by Message from His Honour the Lieutenant-Governor, with the advice aforesaid, a Bill has been introduced for the purpose of guaranteeing principal and interest in manner mentioned in the said agreement;

“And whereas, it has been stated by the Honourable the Member for Nanaimo District, in his place in the House of Assembly, that it appeared that the Honourable the Leader of the Government had been working for the Company and not for the Province, and it has also been insinuated in the said House of Assembly by other Honourable Members, although not directly charged, that the Members of the Executive Council were actuated by corrupt motives in advising His Honour the Lieutenant-Governor in relation to the matters aforesaid;

“Therefore be it Resolved, That an humble Address be presented to His Honour the Lieutenant-Governor,

praying him to appoint a Royal Commission to enquire whether the Honourable the Premier, in advising the said guarantee, worked for the Company and not for the Province, and whether corrupt motives of any kind existed with or influenced His Honour's Ministers in the advice tendered by them to His Honour the Lieutenant Governor in relation to the Nakusp and Slocan Railway Company, and whether any of His Honour's Ministers have or had any interest, directly or indirectly, in the Nakusp and Slocan Railway Company, or in the Construction Company, either in furnishing materials or supplies, or in any way whatsoever; which resolution was approved by an Order of His Honour the Lieutenant-Governor in Council dated the 16th day of April, 1894.

NOW KNOW YE that, in pursuance of the said Resolution and Order in Council, and reposing especial trust in your loyalty, integrity, and ability, We do hereby, in pursuance of the powers contained in the "Public Inquiries Act," and of all other powers and authorities Us in that behalf enabling, constitute and appoint you, the said Sir Matthew Baillie Begbie and George Wheelock Burbidge, jointly, and each of you separately, to be Commissioners with the power of making enquiry into all and every of the matters aforesaid so far as the same refer to the good government of this Province, or reflect upon the conduct of any part of the public business thereof, together with the power of summoning before you, or either of you, any party or witnesses, and of requiring them to give evidence on oath, orally or in writing, or on solemn affirmation (if they be parties entitled to affirm in civil matters), and to produce such documents and things as you, or either of you, may deem requisite to the full investigation of the matters aforesaid; and We empower and direct you the said Commissioners, or either of you, to report the facts found by you, in writing, to Our Lieutenant-Governor of Our said Province of British Columbia immediately, or as soon as conveniently may be, after you shall have concluded such enquiry, together with the views which you, or either of you, may have formed in relation to the matters aforesaid as a result of the said enquiry, and that you do and perform all those matters and things in and about the taking of the said enquiry as by law in that behalf you are authorized to do.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of the Province of British Columbia to be hereunto affixed: Witness, the Honourable EDGAR DEWDNEY, Lieutenant-Governor of Our said Province of British Columbia, in Our said City of Victoria, this twentieth day of April, in the year of Our Lord one thousand eight hundred and ninety-four, and in the fifty-seventh year of Our Reign.

By Command.

JAMES BAKER,
Provincial Secretary.

PROVINCIAL BOARD OF HORTICULTURE.

RULES AND REGULATIONS.

Made and adopted under authority of Section 7 of the "Horticultural Board Act, 1894."

1. These regulations may be cited as the "Horticultural Regulations, 1894."

2. In these regulations, the word "pests" shall mean and include woolly aphis, apple-tree aphis, scaly bark-louse, oyster-shell-bark-louse, San Jose scale, red scale, borers, codlin moths, currant worms, or other known injurious insects, and all fungous diseases.

3. All dealers, nurserymen, fruit-growers, and other persons producing, for sale or otherwise, nursery stock, plants, or fruit may give notice to any member of the Board, or the Secretary or Inspector, or the agent of the Board in the district where the nursery, garden, or orchard of such person is situate, of his desire that his nursery, garden, or orchard be inspected, whereupon the Board will cause inspection thereof to be made by a duly appointed officer in that behalf.

Such officer shall, if he finds the same free from all pests, give a certificate to that effect (hereinafter called a "clean certificate"), or otherwise, in accordance with the facts, and shall, in case further directions for disinfection than are contained in these regulations are necessary, give such directions.

Such certificate shall be in force for six months from the date thereof, unless revoked upon further inspection.

4. All nurserymen, fruit-growers, and all persons owning, occupying, or managing an orchard, garden, or nursery infested with any pest shall notify the member of the Board for the district in which such orchard, garden, or nursery is situate, or the Secretary or Inspector, or the agent of the Board in the District, of the fact of the presence of such pest.

5. All persons having in their possession nursery stock, trees, plants, or fruit infested with any pest shall cause the same to be disinfected and cleansed, in accordance with these regulations, and no such infested nursery stock, trees, plants, or fruit shall be forwarded, distributed, or parted with until the same are so disinfected and cleansed, and a certificate thereof obtained.

6. All dealers, nurserymen, or persons importing, selling, or distributing nursery stock, plants, or fruit not grown in the Province, or selling or distributing nursery stock, plants, or fruit grown in a nursery, garden, or orchard for which no "clean certificate" is in force, or the agent of any such person, before distributing, offering for sale, or disposing of any article as above mentioned, shall notify the member of the Board, his agent or representative, in whose district any such article is found, or the Secretary or Inspector of this Board, who shall inspect or cause to be inspected said nursery stock, trees, plants, or fruit, and if they are found to be free from pests, shall issue

a certificate to the owner or person in charge, stating said articles appear free from pests.

7. All persons having in their possession boxes, crates, or other packages or wrappings in which nursery stock or fruit has been imported, shall have such boxes, crates, or other packages or wrappings destroyed by fire, or disinfected in accordance with the directions contained in these regulations, forthwith upon the removal of the original contents.

8. All persons shipping, sending, or delivering any fruit, fruit trees, scions, cuttings, or plants within the Province shall place upon or securely attach to each box, crate, or other package or parcel containing the same, a distinct mark, stamp, or label showing the name of the producer and shipper or sender, and the locality where grown.

METHODS OF DISINFECTION.

9. Nursery stock or any trees or plants infested by any pest shall, during the dormant season only, be disinfected by dipping in a solution prepared as follows:—Take three pounds of soap (whale oil or good home-made soap), three pounds sulphur, and one pound Gillet's concentrated lye, or lye of equal strength and purity, boil one hour in four gallons of water, add one gallon coal oil, then boil slowly twenty minutes and add twenty-five gallons of water. This preparation is more effective when lukewarm, and it should therefore be used at a temperature of about 100° Fahrenheit.

10. Where pests are found to exist during the growing season, while the trees are in leaf, spraying must be done and other remedies applied, as shall be recommended by, or under authority of, the Board from time to time, so that the insects can at least be held in check until the stronger washes of the dormant season can be safely applied.

11. Boxes, crates, or other packages or wrappings shall be disinfected by dipping the same for five minutes in boiling water containing not less than one pound of concentrated lye to every five gallons of water.

12. Where hop fields are infested with hop-louse, spraying must be done as shall be recommended by the Board.

PENALTIES.

13. Any person refusing or neglecting to carry out these regulations, or the directions given hereunder by any member or officer of the Board, or the agent of any such member or officer, and within the time fixed by any notice when the same is by law required, or otherwise evading these regulations, shall for each offence incur a penalty of not exceeding fifty dollars.

Horticultural and Fruit Growers' Societies are requested to work in harmony with this Board, and may, without expense to the Board, elect from their number one or more persons to act as local Inspectors or advisers, who shall report to the member of the Horticultural Board of the district in which such Society is located, or to the Secretary or Inspector of the Provincial Board, cases where the owner or person in charge of plants or trees which are infected refuses to obey the directions of the society in carrying out the rules of the Board; also any other matters of importance to the interests of the Society

Esquimalt, B. C.,
25th April, 1894.

W. J. RANT,
Collector, Esquimalt Electoral District.

REGISTRATION OF VOTERS.

VICTORIA CITY ELECTORAL DISTRICT.

“LEGISLATIVE ELECTORATES AND ELECTIONS ACT, 1894.”

NOTICE is hereby given, in accordance with section 11 of the “Legislative Electorates and Elections Act, 1894,” that under section 10 of said Act I have, with the aid of five persons, scrutinized the Register of Voters of the Victoria City Electoral District, and have removed therefrom the names of all persons who are shown to be resident in other Electoral Districts of the Province, that I have transmitted the names of the persons so removed to the Collector of Voters where they reside, that I have dropped from the said Register the names of all those persons particulars of whose residences are not given upon the closed Register of Voters of said Victoria City Electoral District, and that I have dropped from the said Register the names of those persons whom I cannot find to be resident within the said District, and also that I did complete the said scrutiny on the 30th day of April, 1894.

Further notice is hereby given that in accordance with section 11 of the “Legislative Electorates and Elections Act, 1894,” I do now publish the following lists, namely :—

1. A list containing the names which have been transferred to other districts.
2. A list containing the names of all those persons which have been dropped from the lists, namely, (1) the names of those persons particulars of whose residences are not given upon the closed Register of Voters, marked herein under the column headed “cause” thus “insufficient address”; (2) the names of those persons whom I cannot find to be resident within the district, marked herein under said column thus “non-resident”; (3.) the names of all who are dead (*see* Provincial Voters’ Act, 1876, sub-section (g) of section 6), marked herein under said column thus “dead”; and (4) the names of those persons who have erroneously applied to be enrolled more than once and have been so entered upon the said Register, such entries being marked in said column thus “duplicate.”

NOTE.—*In such cases of duplication the voter’s name now appears but once on the Register.*

Under the provisions of section 11 of the “Legislative Electorates and Elections Act, 1894,” any person who objects that his name has been improperly dropped from the Register, and claims that he is entitled to be registered as a voter, may, or the agent or friend of such person may, at any time before the termination of four weeks from the date of the first advertisement of this notice in the British Columbia Gazette apply to have such name reinstated, and the Collector may, if satisfied of identity, and that such person is resident and entitled to be registered as a voter, restore his name to the Register.

JOHN B. McKILLIGAN,
Collector of Voters for the Victoria City Electoral District.

Court House, Victoria, 30th day of April, 1894.

EXPLANATORY NOTE.—The number opposite each name refers to the number given on the printed list of voters, dated 31st December, 1893, or to the number, as the case may be, upon the Register subsequent to that date of those who have applied to be enrolled and who have complied with the provisions of section 6, sub-section (b) of the Provincial Voters Act, 1876, by being posted for two months immediately prior to date of the above notice.
